## Why do we Paint the Town Pink in our community?

St. Landry Parish is above the national average for mammography screenings due to availability and access to annual screenings and testing provided by Paint the Town Pink!

## That's why we can make a difference!

In Louisiana, 1 in 8 women will get breast cancer.

Louisiana has the 3rd highest breast cancer death rate in the country. With regular screening, breast cancer can often be found and stopped early.

**ONE** person can make a difference. When you commit to a Courage Sponsorship (\$300) your donation covers the cost of **ONE** mammogram. Research shows if breast cancer is treated early, the five-year survival rate is 99%.
